About Q Underwriting

Q Underwriting is a specialist insurance underwriting facility operating under a delegated authority on behalf of Aviva.

Introduction

Thank You for choosing Aviva as Your insurer. This is Your Liability Policy, setting out Your insurance protection in detail. Please read it carefully to make sure that it meets Your requirements and that the details on the policy Schedule are correct.

Your premium has been based upon the information shown in the policy Schedule and recorded in Your Proposal Form which You have accepted form part of your contract.

If after reading Your policy You have any questions, please contact Q Underwriting.

The Contract of Insurance

Your policy is a contract between Us, Aviva Insurance Limited and You, the Policyholder. The Proposal Form and declaration which You have accepted form part of Your contract.

In return for You having paid or agreed to pay the premium, We will indemnify You by payment or, at Our option, by reinstatement or repair in respect of loss, destruction, damage, accident or injury occurring during the Period of Insurance, subject to the terms and exceptions contained in or endorsed on the policy.

Important

This policy is a legal contract. You must tell Us about any material circumstances which affect Your insurance and which have occurred either since the policy started or since the last renewal date.

A circumstance is material if it would influence Our judgement in determining whether to provide the cover and, if so, on what terms. If You are not sure whether a circumstance is material ask Your insurance adviser. If You fail to tell Us it could affect the extent of cover provided under the policy.

You should keep a written record (including copies of letters) of any information You give Us or Your insurance adviser when You renew this policy.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in Us automatically being discharged from any liability, then such a breach shall result in any liability We might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that We will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then We agree that We may not rely on the non-compliance to exclude, limit or discharge Our liability under this policy if You show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS).

If We were unable to meet Our obligations, You could be entitled to compensation from this scheme, depending on the type of insurance and the circumstances at the time.

Further information about the scheme is available from the FSCS website www.fscs.org.uk.
