Target market

The Q Recruitment Combined product provides a complete insurance solution aimed at enterprises engaged in the supply of temporary and permanent staff to commercial enterprises. We seek to provide cover for risks domiciled in the United Kingdom and are sole traders, micros enterprises or small and medium enterprises. We cater for both incorporated and unincorporated businesses with up to GBP20million in turnover.

Types of customer for whom the product would be unsuitable

This product is designed for recruitment firms engaged in the supply of temporary and permanent staff. For other businesses, there are more appropriate Insurance solutions.

Businesses that are engaged in other activities such as house building or manufacture of products would not be covered by this product.

Businesses that are set up outside the United Kingdom would not be acceptable for this product. Recruitment firms with turnovers in excess of GBP100million would be deemed too large for this product.

Please refer to the policy documentation for full details of cover and exclusions. This product statement does not alter, in any way, the cover under the policy.

Any notable exclusions or circumstances where the product will not respond

As is commonplace for Insurance products for this sector there are a number of general Exclusions including but not limited to:

- War and Allied Risks
- Dispossession of Property
- Terrorism
- Asbestos
- Silica
- Gradual deterioration/wear & tear
- Pollution
- Abuse
- Civil Commotion in Northern Ireland
- Radioactive Contamination

Other section specific exclusions will apply, depending on the coverage selections made by the customer.

Policy excesses and cover limits are assessed on a risk by risk basis, taking into account market standards, and selected by the customer.

Please refer to the policy documentation for full details of cover and exclusions.

Other information which may be relevant to distributors

This document is to be read in conjunction with the full policy wording.

The distribution strategy is considered appropriate for the target market with customers having the option to purchase these products through a distributor of their choice. This product may be sold by suitably skilled authorised persons:

- face-to-face
- via telephone

To ensure the customer receives fair value for this product and that they are able to make an informed choice:

- The customer's demand and needs must be assessed to ensure the product is appropriate,
- significant or unusual exclusions should be highlighted,
- care must be taken to ensure no duplicate cover exists or is created by an add-on,
- available add-ons and optional extras should be highlighted with the same emphasis as the main sections of cover,
- commission, fees or charges passed onto the customer must be proportionate to the service provided.
