How should this product be distributed?

This product can be sold with the active assistance and guidance of an Insurance Intermediary. This product can also be sold by an Insurance Intermediary directly to customers without this assistance.

What should distributors do to ensure the product provides fair value to the end customer?

To ensure the customer receives fair value for this product, care must be taken to ensure no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy. Commission, fees, or charges passed onto the customer must be proportionate to the service provided and provide fair value. The distributors should ensure that the sums insured are adequate for the risk insured.

Further information about the Product Review and Fair Value Assessment

When completing our Product Reviews and Fair Value Assessments we used all available information relevant to the product, and information provided by our distribution partners.

Where indicators and measures were outside AXA Commercial's tolerance, we investigated these to ensure that the product continues to remain suitable for the target market, delivers value for customers and operates in line with customer expectations. Details of any key actions taken can be found below.
