## What are my obligations?

This is a summary of your main obligations under the policy:

- You must make a fair presentation of the risk to us, which includes telling us of any circumstances which we would take into account in our assessment or acceptance of this insurance - If you fail to make a fair presentation of risk this could affect the extent of cover provided or invalidate your policy
- You must also make a fair presentation to us in connection with any variations, e.g. changes you wish to make to your policy
- You must take all reasonable precautions to prevent loss or damage, and comply with any security or other loss prevention conditions in your policy documents
- You must notify us promptly of any event which might lead to a claim and follow the claims Procedure set out in your policy
- For further details and any specific obligations relating to your trade or business activities following our assessment of your risk, please refer to your policy documents.

## Making a claim

All claims irrespective of negligence or liability must be, in the first instance, reported to Aviva Incident Care on **0800 169 4066**.

Late notification will nearly always increase the cost of settling such claims. Therefore, failure to report an incident could result in the increased cost being passed to you, the policyholder, for settlement and an increased excess may apply.

Incident Care **0800 169 4066** is available 24 hours a day, 365 days a year.

## When and how do I pay?

Payment options should be discussed with your insurance broker.

## If you have a complaint

Following the complaints procedure does not affect your right to take legal action.

## Financial Services Compensation Scheme

We are members of the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from this scheme if we cannot meet our obligations, depending on the type of insurance and the circumstances of your claim.

Further information about the scheme is available from the FSCS website [www.fscs.org.uk](http://www.fscs.org.uk).

You can cancel your policy at any time during your period of cover, subject to the notice period shown in your policy. To cancel your policy, contact your insurance adviser

Insurance contracts advised and arranged for Commercial Customers are not subject to Statutory Cancellation Rights. Early cancellation, outside of any Statutory Rights, is possible by you or the insurer. In this event you will remain liable for the premium due for the period on risk.

Any return premium following policy cancellation during the first 12 months of the 2 year term will be subject to the short period scale below. Time on risk charges and returns on cancellation are calculated at the following proportions of the annual premium.

One month	25%	Four months	50%	Seven months	80%
Two months	30%	Five months	60%	Eight months	90%
Three months	40%	Six months	70%	Over eight months	100%

Cancellation after the first year is subject to pro rata terms. Please note that in all instances of cancellation where a claim has been reported in the current period of insurance, no return premium will be payable in respect of that specific vehicle.
